"For you were called for freedom…But do not use this freedom for selfishness; rather serve one another through love." Gal. 5: 13

We are a mission church. Our mission is to go forth from the Lord's table and carry on Christ's work in the world. That is, loving our neighbor as ourselves and living in such a way others learn of Christ through our actions. *Our faith requires a development of discipline so that our lives reveal Christ by how we prioritize our time, talent and treasure.*
